

Play Policy

Every child will be allocated at least one room leader and assistant.

Children learn when they are in a safe and caring environment where they are stimulated through play.

In Holy Trinity After School Club we strive to provide every child with an environment that will be caring, fun and stimulating.

We will implement ideas and a wide range of activities to help your child learn and explore through their experiences of play.

These activities will include but are not limited to:

- Books and story time
- Small world toys
- Construction toys (Lego, Duplo etc)
- Pretend play (toy kitchen etc).
- Water play
- Arts and Crafts.
- Outings
- Cooking
- Gardening
- Outdoor play and equipment
- Computers
- Science and Experiments
- Messy play
- Physical play including group games
- Song and Dance

We ensure there is a balance of adult led and child initiated activities delivered both indoors and out and we regularly observe each child and make records when necessary in order to help us to make plans on how we can help each child move onto the next stage of their development.

Our aim is to ensure that every child is getting the most from their experience and play in the after school club and to ensure that we are constantly providing plenty of fun and stimulating opportunities to meet the individual needs of each and every child.
