

Policy on Security of the Setting

The After School Club operate within the grounds of Holy Trinity Primary School. As such the premises is used by the staff and children of the school and visited by the parents of these children. The entire school sites are surrounded by a high security fence limiting access to the site. Staff both within the setting and the school are aware of visitors to the site and will challenge any unknown visitors to establish their reason for being present.

Specific security arrangements

The After School operates in different areas of the Mill Street site including the dining hall which is a separate building. Children are always supervised by staff both within and outside the building. Office staff, or the Manager are available in the office at the front of the building to receive visitors to the site.
