## **Holy Trinity Preschool**

In Holy Trinity Preschool we aspire to create an atmosphere in which children feel secure, know that they are valued as individuals and are encouraged in their learning, growth and social development in a healthy and safe environment.

All members of staff are committed to creating an environment of care and trust where the children are confident and happy and are learning to be considerate of others and to share and to cooperate. Staff promote good standards of behaviour and foster self-discipline, responsibility and independence.

Throughout the Preschool year, parents are encouraged to discuss all aspects of their child's development with the Preschool Leader. Parents/Leaders meetings are held throughout the year which give the parents the opportunity to discuss their child's progress in the Preschool and how they can help him/her. Monthly newsletters are issued to parents to provide information about what is happening.

If any parent has a concern about their child be it at home or school related they are encouraged to make an appointment with the Preschool Leader to discuss this and we work together to overcome any problems that arise.
